## Parent-child Reading Reward Program

28<sup>th</sup> October, 2021

Dear Parents/ Guardians,

The Chinese Language Team will launch the "Parent-Child Reading Reward Program" in this year. The program aims at enhancing students' reading motivation and hopes that parents would accompany their children to read together, in order to develop students' reading habit and interest, as well as building up a harmonious relationship between parents and children.

Details are as follows.

1. Period: The first and second semester
2. Implementation: Teachers who teach Chinese will assist students to borrow books regularly from school library. We will also encourage parents to bring their children to the public library to read and borrow books. Students can read e-books online as well, such as:

- Rainbow One's e-book, the QR Code of the students personal account has been posted in student handbook P.3

-Hong Kong Reading City <https://www.hkreadingcity.net/>

-Hong Kong Public Libraries--- e-book <https://www.hkpl.gov.hk/e-books/>

3. Rewards: Students who read a specified number of books will receive gold, silver or bronze reward. The school will issue a certificate and prizes as encouragement.  
**Gold Award:** read 9-10 books and complete the reading report  
**Silver Award:** read 6-8 books and complete the reading report  
**Bronze Award:** read 4-5 books and complete the reading report

Each student will be given a "parent-child reading booklet" (one for each semester). Parents are encouraged to read with their children.
